

REPORTED FOR THE POST.

The Result in North Carolina.

Raleigh, Nov. 8.—The general opinion in the State has gone for Grant by about 50,000 majority. The returns indicate the election of the following Republicans to Congress: In the 1st Dist., Cobb and Henton; 2nd, Dewe, and 4th, Lash. The following are Democrats: Shober in 6th; Durham in 7th; and possibly, McKay in the 8th.

Tallahassee, Nov. 8.—Harrison Reed, Governor of Florida, was impeached on charges preferred by Horatio Jenkins, President of the late Constitutional Convention, 314 present going in the affirmative. All the members were not present. Gov. Reed will contest the case. His friends claim the legislative body is illegal.

Seizure and Destruction of Arms in Florida.

Charleston, Nov. 8.—The Republican majority in the State is largely reduced. Reed and Simpson, Democrats, are certainly elected to Congress in the 1st District.

Tallahassee, Nov. 8.—Two thousand stands of State arms in transit by railroad from Jacksonville to this place, were seized by unknown parties last night, who destroyed the same and distributed them along the track for several miles. The arms cost the State \$20,000. A special train with a detachment of soldiers, has been sent to secure them.

Mexican Advances.

New York, Nov. 8.—Mexican news says, the professor of Maximilian has arrived in Mexico, bringing diamond crosses and other presents from the Emperor of Austria to the Mexican lawyers who defended the late Emperor at his trial before the court martial.

The Secretary of the State of Vera Cruz has been arrested and sent to the Capital under guard, on order of President Juarez.

PACIFIC NEWS.

Prophecy and Revolt—Shipwreck—Mutiny—And a Whaling.

San Francisco, Nov. 8.—Honolulu advice to rock 24th.—Dr. J. Mott Smith, Envoy of the Hawaiian government to Washington, has arrived. He was appointed at the solicitation of leading citizens of the Island to assist in procuring the passage of a reciprocity treaty at the next session of Congress.

A serious insurrection has broken out in the Island of Hawaii. The Sheriff attempted to arrest one Kaona, who calls himself a prophet and predicts the end of the world. Kaona followers resisted, killed the Sheriff, cut off his head and stuck it on a pole. The Deputy Sheriff was badly wounded and his life is in danger. Several native policemen were injured. The government sent troops from Honolulu to suppress the revolt.

The tidal wave at the Island of Hawaii, destroyed a number of houses, and caused considerable loss. A number of wrecked Japanese were rescued from Saint Peter's Island by the whaler Wm. Roth. They had been on the island eighteen months, and lived on birds, eggs, and fish.

The Honolulu papers publish the particulars of a mutiny at sea mentioned in a former dispatch, on a vessel of war. The Prussian bark Cayalt left Callao for Guipuzcoa about February 1st, 1868, with fifty casks. The second day out the coolies mutinied and took possession of the ship. Killed the Captain and mate, and tied the balance of the crew, nine in number, to the hawser, with an anchor attached, and threw them overboard. The mutineers attempted to navigate the vessel to China, but the vessel was wrecked on the coast of North America, where it is supposed they were wrecked. The latest advice from the Arctic indicate the present season as good as the last. Up to the middle of August scarcely a whale was taken, since then whales are abundant and the weather is good.

Financial Decision.

Washington, Nov. 6.—The Secretary of the Treasury has decided that he has power to reissue any Legal Tender notes which have been redeemed but not cancelled, provided the amount does not exceed \$4,000,000,000. This will obviate the necessity of further sales of gold on bonds by the treasury, and will enable the Secretary to afford substantial relief to the money market. Although he is opposed to a further issue of currency he feels justified in resorting to any legitimate means to relieve the present critical condition of financial affairs.

Wall Street Cheerful.

New York, Nov. 8.—The feeling in the money market is more quiet and cheerful under McCulloch's decision, that he has power to issue notes once redeemed, but not cancelled. It is understood the Secretary will only re-issue greenbacks in case of certain emergencies when it should be in his power to relieve the pressure on the money market.

New York, Nov. 8.—The elegant country residence of A. J. Berger, at Islip, L. I., took fire from a defective stove, and was entirely consumed on Friday last. Loss 40,000.

London, Nov. 8.—Dispatches from Italy, report the papal army continues to be decreased by desertions.

Late Election Returns.

Philadelphia, Nov. 7.—It is now the opinion that Grant's majority in the State will reach 40,000.

Wilmington, Nov. 7.—The State has gone for Grant 8,000 majority. The Congressional delegation stands 5 Republicans and 2 conservatives.

Montgomery, Nov. 7.—The returns from thirty counties give Grant over 9,000 majority. Nearly all the inhabitants in the remaining counties are whites, who will probably overcome this majority. The result is doubtful.

St. Louis, Nov. 8.—Eighty-five counties give Grant nearly 19,000 majority. This will probably increase it to 20,000. McCulloch's majority is probably 16,000.

The President on Route.

Chicago, Nov. 9.—Gen. Grant met with a general ovation yesterday through Indiana and Ohio, while on his journey to Washington. Large crowds of people assembled at every station, clamorous to obtain a sight of the President elect.

Opinion of Chicago Bankers on the Money Corner.

Chicago, Nov. 9.—The storm, east, interrupted communication with New York. The opinion among the intelligent bankers seems to be, that the stringency in money results from political combination, and that McCulloch will do all that is possible to relieve the pressure among legitimate dealers, but will avoid anything which will benefit the speculators. It seems probable that the pressure has culminated and will soon be over that the whole thing, in short, is the result of a corner in money. Stocks seem to be better this morning.

New York and New Jersey Politics.

New York, Nov. 9.—The Sun figures Seymour's majority at 21,762, and Hoffman's at 27,625. The Tribune figures Seymour's at 6,962 majority. The World figures Seymour's majority at 12,565, and Hoffman's at 31,229. The Tribune makes Seymour's 7,441 and Hoffman's 28,840 majority. The World figures Seymour's majority in New York 2,953 and Randolph's, for Governor, at 4,208.

The 4th Congressional Dist. of New Jersey is still in doubt. Republican authority elects Rafferty by its vote.

New York, Nov. 9.—The World now concedes the Republicans will have a majority in the Legislature.

The Tribune says if the Courts permit Hoffman to take his office, the real Governor will be Peter Sweeney. We shall have a chief magistrate who is a mere tool of Tammany Hall.

Schuyler Colfax arrived in this city to-night.

The Committee of the Union League to investigate the naturalization frauds in this city is composed of W. E. Dodge, Horace Greeley, Moses H. Grinnell, Isaac Sherman, Isaac H. Bailey, Marshall O. Roberts and John D. White.

Foreign Intelligence.

London, Nov. 7.—The case of Miss Becker, who claimed the right to vote at the coming election, was refused by the registrars, and has been taken to the Court of Common Pleas for adjudication. It was argued at great length before a full bench. There is great anxiety to hear the decision.

Madrid, Nov. 7.—Upon the advice of the Generals of the army the provisional government will immediately dispatch 9,000 soldiers to Cuba, with authority to suppress the insurrection.

London, Nov. 7.—The Liberal party, in view of the present indications of the pending campaign, estimates it will have a majority in the new House of Commons of at least 100.

Madrid, Nov. 7.—A correspondent of the Independence Belge writes that the provisional government of Spain will entertain no proposal from the United States looking to the purchase of Cuba.
